## Production Technician

MachMotion is a manufacturing company dedicated to providing exceptional and innovative CNC products for its customers. Currently MachMotion is looking for a full-time technician who can work in production. An ideal technician would be:

- Eager to Learn
- Passionate About Electronics/Electricity
- Willing to Work Hard
- Self-Motivated
- Flexible
- Able to meet production deadlines

Problem solving skills, basic computer skills, and basic electrical experience would be very helpful. The technician must also enjoy working with his hands.

At times the position may include the following:

- Wiring
- Electrical Enclosure and CNC Control Fabrication
- Drilling and Taping
- Component Assembly
- Cleaning

Compensation will be starting out at \$14.00 an hour.

Please check out MachMotion on the web at [www.machmotion.com](http://www.machmotion.com) . Call 573-368-7399 and ask for Joel or send an email to [hire@machmotion.com](mailto:hire@machmotion.com) if you are interested.
